COMMITTEE RESOLUTION

Paul J. Sass, Republican Staff Director

LEASE
DEPARTMENT OF THE TREASURY
INTERNAL REVENUE SERVICE
FRESNO, CA
PCA-01-FR19

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for a lease of up to 170,000 rentable square feet of space, including 868 official parking spaces, for the Department of the Treasury – Internal Revenue Service currently located at 855 M Street, 5045 E. Butler Street, 4976 E. Kings Canyon, and 1325 Broadway Street in Fresno, CA at a proposed total annual cost of \$6,120,000 for a lease term of up to 15 years, a prospectus for which is attached to and included in this resolution.

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

Provided that, the Administrator of General Services and tenant agency(ies) agree to apply an overall utilization rate of 88 square feet or less per person, except that, if the Administrator determines that the overall utilization rate cannot be achieved, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in an overall utilization rate of 88 square feet or higher per person.

Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.

Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chairman or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the project.

Provided further, the Administrator of General Services may not enter into this lease if it does not contain a provision barring any individual holding a Federally-elected office, regardless of whether such individual took office before or after execution of this lease, to directly participate in, or benefit from or under this lease or any part thereof and that such provision provide that if this lease is found to have been made in violation of the foregoing prohibition or it is found that this prohibition has been violated during the term of the lease, the lease shall be void, except that the foregoing limitation shall not apply if the lease is entered into with a publicly-held corporation or publicly-held entity for the general benefit of such corporation or entity.

Provided further, prior to entering into this lease or approving a novation agreement involving a change of ownership under this lease, the Administrator of General Services shall require the offeror or the parties requesting the novation, as applicable, to identify and disclose whether the owner of the leased space, including an entity involved in the financing thereof, is a foreign person or a foreign-owned entity; provided further, in such an instance, the Administrator of General Services shall notify the occupant agency(ies) in writing, and consult with such occupant agency(ies) regarding security concerns and necessary mitigation measures (if any) prior to award of the lease or approval of the novation agreement.

Provided that, to the maximum extent practicable, the Administrator of General Services shall require that the lease procurement consider the availability of public transportation consistent with agency mission requirements and that the space to be leased be renovated for all cost effective improvements, including renewable energy upgrades, water efficiency improvements, and indoor air quality optimization, that reduce greenhouse gas emissions.

Adopted: May 8, 2019
